CAREER OBJECTIVE

Detail-oriented B.Com graduate with internship experience in business management and front-end web development. Proficient in HTML5, CSS3, JavaScript, Python. Seeking an entry-level role to apply technical and analytical skills while contributing to organizational growth.

INTERNSHIP EXPERIENCE

Web Development Intern | Thulir Intern | 2026

- Developed responsive web interfaces using HTML5, CSS3, and JavaScript; gained hands-on experience in front-end development and UI design.

Management Intern | RMK Traders, Mannargudi | 2024

- Supported daily business operations including inventory management, vendor coordination, and accounting activities.

PROJECTS

Developer Portfolio & Resume Website | HTML5, CSS3 | https://bhagyalakshmis496-cell.github.io/Resume_website/

- Built a responsive professional website with resume download, project showcase, and LinkedIn/GitHub integration.

Flipkart Clone | HTML5, CSS3 | <https://bhagyalakshmis496-cell.github.io/Flipkart/>

- Responsive e-commerce homepage with product grid, navbar, and banner.

Personal Portfolio | HTML5, CSS3, JavaScript | https://bhagyalakshmis496-cell.github.io/Personal_Portfolio/

- Multi-section responsive portfolio with smooth navigation and project showcase.

Netflix Clone & Login Page | HTML5, CSS3, JavaScript | <https://bhagyalakshmis496-cell.github.io/Netflix/> & <https://bhagyalakshmis496-cell.github.io/Login/>

- Pixel-accurate Netflix landing page + responsive login UI with form validation.
